 - a) They Exchanged the Truth for a Lie...
 - b) What is the Purpose of a Lie? —To Get What We Want...
 - c) What is the Result of Believing a Lie? —Enslavement...

“The purpose of communist propaganda was not to persuade or convince, not to inform, but to humiliate; and therefore, the less it corresponded to reality the better. When people are forced to remain silent when they are being told the most obvious lies, or even worse when they are forced to repeat the lies themselves, they lose once and for all their sense of probity (moral goodness). To assent to obvious lies is in some small way to become evil oneself. One's standing to resist anything is thus eroded and even destroyed. A society of emasculated liars is easy to control.

—Theodore Dalrymple

- d) One Reason Communist Regimes Outlaw Christianity is because to believe in God is to believe in a power higher than government.
- e) That's a problem for People want Government to be god

—Would We Say It's Always Been Here Like This?
- d) No, a Watch Requires a Watchmaker, Architecture Requires an Architect,
Intelligent Design Requires an Intelligent Designer.

3. APPLICATION: The Cosmos is not an Accident

Deep Down We Know There is something more than this broken world

a) C.S. Lewis: "If we find ourselves with a desire that nothing in this world can satisfy,
